

Internet Notice

Fiserv, Inc. has agreed to sell its Health businesses to UnitedHealth Group. These are the businesses going to UnitedHealthcare:

- Innoviant, a prescription benefits administrator
- Innoviant Pharmacy, a prescription mail-order service
- Fiserv Health Plan Administration, the nation's largest Third Party Administrator of self-funded health plans
- Fiserv Health Plan Management, an outsourcing service for large and government health plans
- Avidyn Health, a care management company
- BP, Inc., a managing general underwriter for stop loss products
- Innovative Cost Solutions (ICS), a claim resolution company that negotiates claims from non-network providers
- J.W. Hutton, a subrogation and overpayment recovery organization
- ppoONE, a claim re-pricing and data management service

The transaction is expected to be finalized by the first Quarter of 2008. Please see our press release for more information.
